Memo No. 018/004/02/09/808

Date:- 11/11/2020

NOTICE INVITING TENDER

NIT No. 02 (Orgram) 2020-21

Sealed tender in WBCADC Form No. 103 are invited by the Deputy Project Officer, WBCADC Kalna-II Project on behalf of WBCADC from the Bonafide, experience, reputed and resourceful contractor for execution of the following work as detail below:-

Sl No.	Name of the Work	Location	Estimated Value (Rs.)	Earnest Money (Rs.)	Date & Time of Issue of Tender Form	Last Date & Time of Tender Submission	Opening Date & Time of Tender
1	Installation of One No. 150 MM dia MDTW including extension of Pipe Line at Proposed Eco-Park of Orgram Samanwayee Prokalpa under WBCADC Kalna-II Project.	Proposed Eco-Park at Orgram Samanwayee Prokalpa	4,73,212/-	9,500/-	24/11/2020 up to 03.00 pm	27/11/2020 up to 01.00 pm	27/11/2020 at 02.00 pm

1. The intending tenderers may visit the site before submission of tender.
2. The Tender Documents and other relevant particulars may be seen by the intending tenderers on any working day between 11.30 am to 03.30 pm in the notice board of the Project Office.
3. Eligibility criteria for participation in the tender.
 - A. Intending tenderers should produced credentials of a similar nature of work of the minimum value of 40% of the estimated amount put to tender during 5 years prior to the date of the issue of the tender notice, or
 - B. Intending renderers should produced of 2(Two) similar nature of work, each of the minimum value of 30% of the estimated amount put to tender during 5(five) years prior to the date of issue of the tender notice, or
 - C. Indenting tenderes should produced credentials of one single running work of similar nature which has been completed to the extent of 80% or more than value of which is not less than the desired value at (i) above, incase of running works, only those tenderers who will submit the certificate of satisfactory running work from the concern executive engineer, or equivalent competent authority will be eligible for the tender. In the required certificate it should be clearly stated that the work is in progress satisfactorily and also that no penal action has been initiated against the executed agency, i.e.- the tenderer.
4. The tender documents shall consist of :-
 - A. This notice inviting tender herein after will be refer to as the tender notice
 - B. Printed WBCADC Form No.103 herein after will be refer to as the printed tender form.
 - C. Special terms and condition and special specification, technical information.
 - D. Departmental Schedule.
5. Tender Documents can be had on application against payment of (i) Rs. 750.00 (Rupees Seven Hundred Fifty) only for cost of other tender document for each work and Rs. 50.00 (Rupees fifty) only for cost of Printed WBCADC Form No. 103 in Cash for each work (Non-Refundable) from the Office of the

WBCADC Kalna-II Project on production of attested Xerox copy of valid certificate of up to date clearance of professional tax, income tax, pan card, valid 15digit (GSTIN) under GST act 2017. And after the condition in serial 4 above are satisfied, only one set of tender document will be sold to a contractor for a particular work. The successful tenderer shall produce the necessary certificate in prescribe form to prove the establishment register under the workers welfare cess at 1996 before execution of construction of work.

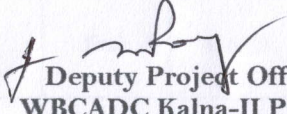

6. Each tenderer will have to deposit an earnest money of the amount specified in favour of the WBCADC Kalna-II Project in the form of Bank draft payable at Baidyapur on any schedule/Nationalize Bank which must be accompanied with the tender failing which the tender will be treated as informal and liable to be rejected. In case of successful tenderer the deposited earnest money will be converted in to security deposit against the execution of work and rest amount to cover 10% of the work value will be deducted as security deposit from the progressive bills of the contractor.
7. A tender is to quote rates in figures, as well as in words as percentage above/below/at per the rates shown in the departmental price schedule or as per item rates quoted in the departmental schedule.
One of the following is to be inscribed on the 3rd page of the printed WBCADC Form No.103.
 - A. I/We, agree to carry out the works mentioned in memorandum at per with the arte shown in the departmental schedule.
 - B. I/We, agree to carry out the works mentioned in memorandum at(%) above/below rates shown in the departmental price schedule.
 - C. I/We, agree to carry out the works mentioned in memorandum as per item rate quoted in the schedule of works enclosed with the tender. The said quotation in the exact wording of any one of the Form (a) or (b) or (c) above as applicable must be written on page 3 of the printed tender form and now where else.
8. The tender shall clearly and legibly be written and the whole writing must be by the hand of the person signing tender and with the same pen and ink. Failure to do so makes the tender invalid. Erasing or over writing shall not be allowed. Corrections in the quotation should be avoided and if this becomes unavoidable, the entire quotation (and not a portion only) shall be scored out and signed (not simply initiated) by the tenderer in token of such cancellation. A fresh quotation one of the specified manner shall be written correctly.
9. The tender must be sign in this space allotted on page 3 and 13 of the printed tender form. The signature on page 3 of the printed tender form must be properly witness by a person who is not a tenderer of this work in the space allotted for the purpose. The tenderer must also sign (full signature with official stamp) at the bottom of each page of the printed tender form and other tender document.
10. Complete tender documents are to be placed in a cover and duly sealed with the name of work and address of the tenderer super scribed on the cover. The sealed cover containing the tender is to be submitted within the specified date and time.
11. If the day on which the tender is due has been or is declared a closed holiday of Govt. Office under the Govt. of W.B., the offer shall remain open for acceptances till the same our of the next working day.
12. No tender will be deemed to be fit for consideration unless documents are fully and completely filled in. All information that may be asked from a tenderer must be unequivocally furnished. Any tender which is incomplete or does not comply with the prescribed conditions or stipulations or containing vague and indefinite expression will be liable to rejection at the time of opening of tenders or during subsequent scrutiny.

13. Canvassing in connection with the tender is strictly prohibited and the tenderers who resorts to this will render his tender liable to rejection.
- 15.A. A tender once submitted shall not be withdrawn within a period of three months from the date of opening of tender till the non-acceptances of his tender is communicated to him by Project Authority.
- B. If a tenderer withdraws his tender within this period of three months without receipt any intimation from Project Authority, his earnest money deposited against this tender will be forfeited.
16. On receipt of intimation from the Project Authority earnest money deposited by the unsuccessful tenderer will be returned on application.
17. The acceptances of the tender will rest with the Project Authority who does not bind himself to accept the lowest tender and reserved to himself the Authority to reject any or all the tenders received without assigning any reason thereof and may distribute the work among the tenderers as deems necessary.
- A. Cost of any materials supplied departmentally or by the contractor will be considered for preparing the final bill or running bill & deduction of I.T. & G.S.T. will be made accordingly as per rule from the bill of the Contractors. 1% Building and other Construction Workers Welfare Cess will also be deducted from the progressive Bills of the contractor. The taxes will be deducted from the running/final bills as per norms and vogue.
- B. Usually the department will supply no materials for the work .
18. The Successful tenderer shall have to execute an agreement with the Project in form no. WBCADC 103 which contains the other tender documents within 7 (seven) days on receipt of an intimation of acceptance of his tender. Failing to comply with in the specified time the Contractor shall render his contract liable to termination with forfeiture of earnest money. The above documents will have to be purchased from the Office in cash at prices Rs. 800.00 (Rupees Eight Hundred) (Non-Refundable) per set. All the copies must be signed on every page by the contractor and submitted to the Project Authority within the specified time.
19. It must clearly be understood that the value of work and quantity of works as indicated as sl. No. (1.C) and in the departmental schedule are approximate only and may be appreciably decreased/increased at the desires of the Project Authority during the actual excursion. The Contract shall remain unaffected by such deviation.
20. The Contractor will have to keep himself in readiness to execute the work and to complete the same within the target date as directed by the Project Authority. The Contractor will have to take up the works as directed by the Project Authority. The Contractor will have to take up the works as directed by the Project Authority within 7 (Seven) days from the date of receipt of work order from the Project Authority, and complete the same within the target date as fixed by the Project Authority, failing which the department will have the every right to take appropriate action and 2 (two) execute the work as per the relevant clauses of the printed tender form. The decision of the Project Authority in this respect would be final and binding to the contractor. In case the contractor fails to commence the work within the specified time of 7 (Seven) days from the date of issue of work order, Project Authority has the right to terminate his tender and cancelled the work order along with forfeiture of earnest money deposited by the contractor if so deemed necessary.
21. (A) If the accepted bid value is 80% or less of the estimate put to tender, the successful bidder shall have to submit the additional security @10% of the tender amount and the same should be submitted within 7 (Seven) working days from the date of issuance of letter of acceptance only on prior receipt of such additional security, work order will be issued to the concerned successful bidder. Otherwise, his earnest money will be forfeited and other necessary actions as per terms of NIT including black listing of the contractor etc will be taken.

(B) The additional security shall be returned immediately in successful completion of the contract. If the bidder fails to complete the work successfully, the additional shall be forfeited at any time during the pendency of the contract period after serving proper notice to the contractor. Necessary provision regarding deduction of security deposit from the progressive bills of the contractor as per relevant clauses of the contract shall in no way be altered/affected by provision of this additional security.

© The additional security may be in the form of Bank guarantee and in that case, the bank guarantee shall have to be valid upto end of the contract period and shall be recued accordingly. The bank guarantee should be in favour of the West Bengal Comprehensive Area Development Corporation Kalna-II Project, Baidyapur, Purba Bardhaman.

22. This NIT shall form a part of the contract document.

WBCADC Kalna-II Project

Estimate for Installation of 1 no. 150mm Dia MDTW including Extension of Pipe Line at Proposed Eco Park of Orgram Samanwayee Prokalpa under WBCADC Kalna-II Project.

Sl. No.	Description of Work	PWD Schedule Page with item reference	Quantity	Unit	Rate (Rs.)	Amount (Rs.)
1	Labour for boring tubewell of required dia. by water jet system through any type of soil strata including hire and labour charges for boring pipes, scaffolding, tools and plants as necessary and taking out them and lowering pipes, strainers, blank pipe etc. and fitting and fixing the same complete including bucket washing and other incidental works in the connection. The tubewell should have a minimum 50mm. gap in between the out side of the tubewell pipe and the bore.					
	a) For depth upto 150 mtrs. (i) 150 mm dia.	49/1(e)(ii)	60	RM	774.87	46492.00
2	Suppling PVC Strainer of approved make with adopter conforming to IS 12818 specification . (i) 150 mm dia.	52/6(v)	15	RM	869.00	13035.00
3	Suppling fitting and fixing steel cutter piece upto 450 mm long with sockets (i) 75/100 mm dia	53/9(iii)	1	Each	456.00	456.00
4	Suppling, fitting and fixing heavy type bell mouth reducing socket. (i) 100 mm X 150 mm	54/17(iii)	1	Each	697.00	697.00
5	Suppling, fitting and fixing G.I. cap at top (i) 150 mm dia. Boring	54/18(ii)	1	Each	569.00	569.00
6	Washing and developing tubewell with air compressor pump and engine for eight hours continious pumping per day with necessary arrangements for testing the yield in gallons per hour with 'V' notch including hire and labour charges for all tools and plants and scaffolding as required.	55/20	1	Each	8527.00	8527.00
7	Labour for making arrangement for showing varticality test including the cost for hire charges of tools and plants, scaffolding, labour etc. all complete	55/22	1	Each	1036.00	1036.00
8	Packing the annular space between the outside of the tubewell pipes and strainers and the bore with pea size washed gravel of approved quality having size from 2mm to 5mm or the size approved by the EIC including cost of all materials, labour and equipment complete	55/24	3	Cum	2295.00	6885.00
9	Suppling, fitting and fixing 2nos. MS housing clamps upto 300 mm of approved quality (80mm dia)	56/27.	1	Each Set	2528.00	2528.00
10	Supply of PVC Pipes and fittings (medium duty) conforming to ASTM-D-1785 & threated to match with GI Pipes as per IS :-1239 (Part-I)					
	(i) 150 mm dia (inner) PVC pipe	13/19(iii)A	42	RM	1606.30	67465.00
	(ii) 100 mm dia (inner) PVC Pipe (for blank pipe)	13/19(iii)A	3	RM	989.00	2967.00
11	Supply of GI Pipes TATA make with sockets					
	(i) 80mm dia (Medium Quality) for column pipe (GI)	102/1H(ii)	42	RM	745.46	31309.00
	(ii) 150 mm dia (Medium quality) pipe for above GL (GI)	102/1K(i)	1	RM	1465.00	1465.00
	(iii) 80 mm dia socket (GI) with ISI mark	103/2(viii)	7	Each	256.00	1792.00
	(iv) 80 mm dia union (GI)	109/13(viii)	2	Each	824.00	1648.00
	(v) 80 mm dia bend pipe (GI)	105/6(viii)	2	Each	1655.00	3310.00
	(vi) 80 mm dia Nipple (GI)	108/11(viii)	2	Each	345.00	690.00
(vii) 100 mm dia end plug (GI)	13/19(iii)K	1	Each	249.00	249.00	
12	Suppling, fitting fixing of 50 mm dia gun metal wheel valve of approved brand and make (tested to 21kg/sq.cm.)	5/5(iv)	3	Each	2576.00	7728.00

13	Suppling, fitting & fixing 150 mm bore well submersible pump set of KSB/ Kirlosker/ Texmo/ Crompton etc. make or similar approved make. Model UOD/112/15, type UMAI/150-3/22, rating 3.73 k.w., 5 HP, Cable size- 2.5 sq.mm., rated current 8.47. amp, including 65 RM cable of Finolex make with bare bunched copper conductor insulated and sheated with PVC for Submersible Pump Motor with voltage grade upto 1100 volts conforming to and marked with IS:694:1990 along with 3 phase pump controller containing L & T DOL starter, Flora Main Switch (20amp), Voltmeter, indicator etc. Type : MUG 20 or any approved quality lowering of submersible pump motor, making connection with all electrical accessories and testing complete as per direction of EIC with all necessary taxes .	-	1 item	Each	67872.00	67872.00
14	Side Clearence		1 item	Each	339.00	339.00
15	Supplying, fitting and fixing in position G.I. pipes of TATA make for underground works with all necessary accessories, specials viz.socket, bend, tee, union, cross, elbow, nipple, short piece etc.including cost of all materials,jointing materials ,cutting pipes,making threads,cutting trenches upto 1.5 metre below surface in all sorts of soil and refilling the same as directed in all respect. (Payment will be made on the centre line measurement of the total pipe line including all specials No separate payment will be made for accessories, specials.) <i>50 mm. dia. medium quality.</i>	3/2 (vi)	300	RM	588.22	176466.00
16	Supply of GI reducing socket with ISI mark 80 mm x 65 mm	105/5 (vii)	1	Each	281.00	281.00
17	Supply of GI reducing Tee of approved brand and make 65 mm x 50 mm	107/10 (xvi)	2	Each	376.00	752.00
18	Supplying and drawing of 1.1 KV grade, 10 sq.mm., 4-core, PVC insulated armoured cable with earthing attachment in 2 x 10 SWG GI (Hot dip) wire through over head.	-	100	RM	182.00	18200.00
19	Supplying, fitting and fixing stop cock or bib cock (1/2" dia) standard quality, <i>chromium plated Esseo or similar brand.</i>	6/7 a(i)	7	Each	610.00	4270.00
20	Supply of GI socket with ISI mark 65 mm dia	103/2(vii)	2	Each	182.00	364.00
21	Supply of GI nipple standard 65 mm dia	108/11/(vii)	2	Each	241.00	482.00
22	Supply of GI bend pipe 65 mm dia	105/6(vii)	2	Each	945.00	1890.00
23	Earthing with 50 mm dia GI pipe 3.64 mm thick x 3.04 mtr. long and 1x 4 SWG GI (Hot dip) wire (4 mtr. long), 13 mm dia x 80 mm long GI bolts, double nuts, double washers incl. S & F 15 mm. dia GI pipe protection (1 mt. long) to be filled with bitumin partly under the ground level and partly above the ground level driven to an avarage depth of 3.65 mt. below the ground level as below:					
	(a) By TATA medium GI pipe	G-1/2(a)	2	Each	1724.00	3448.00
TOTAL (A)					473212.00	

(Rupees Four Lakh Seventy Three Thousand Two Hundred Twelve only)
